

Career Opportunity

Operations Engineer Haida Gwaii, BC

Taan Forest Limited Partnership (Taan), a subsidiary of Haida Enterprises Corporation (HaiCo) is seeking a highly-motivated individual to be part of its planning team on Haida Gwaii.

Reporting directly to the Contract Engineer Supervisor, safety will be your priority. Working in a team environment you will oversee Taan engineering crews and contract engineering crews ensuring that production, quality of work, Taan CMS and safety objectives are achieved.

You will be based out of Taan's Skidegate office requiring travel to Taan's operations throughout Graham, Moresby and Louise Islands on Haida Gwaii.

Qualifications

- Post-secondary education with a degree or diploma in Forestry or Forestry related field
- A member in good standing with the Association of BC Forest Professionals as a Registered Forest Technician
- 10+ years Coastal BC forest engineering experience
- Good planning and organizational skills
- Experience with GIS Arc Info, GPS/ GLONASS, LiDAR interpretation, Road Eng and knowledge of EBM

Taan Offers a competitive wage and benefits program. Taan is committed to creating a successful forest business and economy on Haida Gwaii based on the management principles of the Strategic Land Use Agreement. The underlying goal is to maximize the benefits from the forest resource on Haida Gwaii and for the Haida Nation. Specifically, manage for long term sustainability, increase the number of local logging and manufacturing jobs on Haida Gwaii, extract the best value possible from the areas harvested, and manage the business prudently and effectively.

To apply for this exciting career opportunity please send a Resume and Cover Letter to info@taanforest.com with the heading "Operations Engineer Attention Engineering Supervisor" by January 16, 2017.

We thank all candidates for their interest however only those selected for an interview will be contacted.
