

Taan Forest Welcomes you! 2014 Community Meetings & Open House

Kaats'ii hla

Taan Forest would like to welcome everyone to a series of opportunities to come out and meet the staff and have open/ informal discussions about our forest operations.

Come out and see the recently renovated office in Skidegate and see what we have been up to related to safety programs, training, planning, silviculture, harvesting, road construction, capacity building and local employment!!

We will also be sharing the 3-year Development Plan, the recently revised FSC[®] Management Plan, High Conservation Value Forest Assessment, and 2013 Monitoring Report or anything else you are interested in learning more about. (FSC Trademark License: FSC[®] C104355).

There are several dates and locations that are available:
