

Forest Stewardship Council® Certification Public Consultation

Taan Forest LP (Taan) is certified under the Forest Stewardship Council® (FSC®) BC-Regional Forest Management Standard (FSC Trademark License: FSC® C104355).

As part of the FSC commitments, Taan has recently completed the 2016 Annual Monitoring Report.

The Monitoring Report contains a description of the changes and updates made under the section titled "Introduction". Revised text is shown in purple font to help facilitate review of the changes.

Taan also maintains an FSC Management Plan and a High Conservation Value Forest Assessment. There have not been any changes made to these documents, but they are available for review and comment by request.

Review & Comment

Taan welcomes review and comment from communities, groups and individuals at any time. To ensure comments are incorporated into the final version of the 2016 monitoring report, the official consultation period is June 16 to July 7, 2017:
