

PUBLIC REVIEW AND COMMENTS

January 9, 2023

Dear community members,

This is a public notification from Taan Forest (Taan) to inform our community that Taan will be submitting a replacement Forest Stewardship Plan (FSP) for Haida tenures, Tree Farm Licence (TFL) 60 and First Nation Woodland Licence (FNWL) N1G.

An FSP is a landscape-level plan of potential forest development activities that are intended to take place on the tenures noted above. An FSP is an operational plan for timber harvesting and related activities that Taan must prepare and receive approval from both the Council of the Haida Nation and the Provincial government. As part of this approval process, Taan must solicit and consider the expectations of our community and stakeholders for our use of Haida land and resources.

This public notice is in accordance with Section 20 of the Forest Planning and Practices Regulation. Your input to this FSP is requested so that any concerns or comments can be addressed within the FSP prior to approval.

The review and comment period shall commence on Monday, January 9, 2023, and will last for a period of 60 days. Comments regarding this plan are welcome and must be received by Friday, March 10, 2023. The FSP is available for review and comments here:

- Taan Forest website www.taanforest.com
 - Taan Forest's office in Skidegate at Unit #3 Commercial Centre 848 Highway 16
 - Haida Gwaii MFLNRO office in Daajing Giids
- Copies will also be provided to the Skidegate and Old Massett Village Council Offices

Taan welcomes review and comments from members of the Haida Nation, communities, groups, and individuals.
