

## Harvesting - Stump to Dump Opportunity

Taan Forest Limited Partnership (Taan) is requesting harvesting contractors propose an all found rate (\$/m3) for stump to dump harvesting delivered to Ferguson Dry Land Sort. M3 rates should include but not limited to:

- Block road maintenance
- Delivery of all merchantable logs
- Delivery of scheduled harvested monumental logs (If applicable)
- Brush piling
- Seasonal Deactivation
- Prime Contractor responsibilities
- Taan's Corporate Management System including crew training (CMS Level 1 and Supervisors training CMS Level 2)

Tree Crown Modification will not be the responsibility of the successful stump to dump contractor. All wood will remain the property of Taan Forest and will be marketed at their discretion

### Proposals must include:

- Cover letter with summary
- Ability to complete work ( list of Equipment and previous experience)
- Commitment to hire local (people who live on Haida Gwaii) including number of people who will be working on this block.
- All found stump to dump rate \$/m3
- BC Forestry Safety Council Safe Company number
- Worksafe BC number
- References

### In no specific order proposals will be rated on:

- Ownership of contract (Haida Owned and Local Haida Gwaii ownership take precedence)
- Past experience/ performance with Taan Forest
- Ability to hire local and number of local people employed with this work
- Ability to complete the work with available resources
- m3 rate
