

## Forest Stewardship Council® Certification Public Consultation

Taan Forest LP (Taan) and BC Timber Sales (BCTS) forest operations on Haida Gwaii are certified under the Forest Stewardship Council (FSC®) BC-Regional Forest Management Standard (FSC Trademark License: FSC®-C104355).

As part of the FSC commitments, Taan & BCTS have completed updates to the FSC Management Plan and completion of the 2012 Annual Monitoring Report. Each document contains a description of the changes and updates made within the respective sections titled "Introduction".

### **Dispute Resolution**

Group members are required to maintain mutually agreed to Dispute Resolution Procedures (DRP). DRPs are contained within the FSC Management Plan (under the Consultation section) and a separate excerpt has also been provided on the website to allow for quick, easy reference (under 'Management Plans').

### **Public Review & Comment**

The review and comment period for the FSC Management Plan (including monitoring plans) and Annual Monitoring Report is open to the Public and First Nation communities from May 31, 2013 to June 21, 2013:
